

DEBORAH J. (DEB) CROWE

Accounting & Traffic

Deb Crowe manages Accounting and Traffic for AbsolutAire. She is responsible for all aspects of accounting, including invoicing, accounts payable, daily journals and monthly income statements. In managing traffic, or order tracking, Deb is charged with order entry to the shop floor, bills-of-material (BOM) accuracy, and monitoring order progress toward completion and shipping.

Deb began her HVAC career in 1975 with Duo-Aire, Inc., holding various positions in accounting and administration. When the operations became part of AbsolutAire in 1992, she joined the company to lead the accounting function.

Deb holds an associate's degree in Business Accounting from Kalamazoo Valley Community College (KVCC). She has also earned continuing education credits in various coursework at Western Michigan University.

Deb has been married to her husband Jim since 1974, and they enjoy the companionship of two pure-bred, well-trained Weimaraners. Quilting and reading are among Deb's favorite pastimes when relaxing at home. She is also active in summertime golfing leagues as well as bowling during the fall and winter seasons.
