

JENNIE M. NEGRI

Accounting Assistant

Jennie Negri is an Accounting Assistant for AbsolutAire. In her position, she is responsible for assisting on many accounting functions, including data entry for project quotations, accounts payable, project invoicing, and departmental cost accounting. In addition, Jennie is also charged with a range of clerical support duties for administration, sales, and engineering.

Jennie joined the accounting staff at AbsolutAire in 2007. She was previously employed for two years in accounts receivable for a Kalamazoo-area electrical supply house. Prior to that, Jennie was an orthodontic assistant.

Jennie graduated from Delton Kellogg High School in Delton, Mich., where she earned numerous math and science awards. She later received specialized training in orthodontics.

Jennie was married to husband Jeff Negri on June 21, 2008. She enjoys most summertime activities.
