

## **THOMAS M. WISSER**

### **Service Specialist**

Tom Wisser is a Service Specialist for AbsolutAire. His various responsibilities in this position include handling product service and field-startup issues, parts orders, quality-control follow-up, and warranty claims.

Tom began his career with AbsolutAire, following graduation from high school. Over his many years with the company, Tom has steadily risen in responsibility. His experiences have included stints in plant maintenance & safety, product paint-booth operations, unit assembly, and electrical controls production. He assumed his current position in 2004.

In addition to continual on-the-job training, Tom has also attended specialized training in electrical systems, field start-up procedures, and warranty claims fulfillment.

Tom is single and resides in the Kalamazoo area. Besides enjoying his various work challenges, he also enjoys relaxing with a fine cigar and outside activities such as riding his motorcycle.
